OMSCHRIJVING

Author Michael Jackson and photographer Harry Cory Wright have produced a doubly individual portrait of Scotland, viewed through a gregarious glass. Whether they are studying ancient forms of barley in the Orkneys, drinking tea with peat-cutters while a storm brews over Islay, or favouring the finished product by the shore at sundown, they bring a personal understanding to the magic of malt. Anyone with even the slightest fancy for Scotland or its water of life will gain much from joining their explorations.
