OMSCHRIJVING

Studying Car Theory Theory Book Driving Licence B The newest theory book, written by theory professionals, including free shipping. This is an ideal book to study the car theory. You can easily learn the car theory from your comfy chair. The book is written according to the most recent CBR guidelines. Use this book to prepare yourself for the car theory exam at the CBR. The book has all chapters of the CBR, from A through Z. Written in short chapters, so you do not have to read long pieces of text at once. The theory is presented to you at a good pace and in a clear manner. The book includes excerpts, the excerpts are an ideal summary of the car theory and can help you put in the finishing touches. Each chapter ends with theory questions that assist you in learning the material. The answers to these theory questions are found in the back of the book, together with the definitions. The book ends with the traffic signs, which you can keep handy while reading the theory to use as a reference work. Years of Experience TRAFFICBOOK.NL has years of experience in theory materials for car, motor, moped and boating licence theory. Many students have successfully completed their exams with the TRAFFICBOOK.NL theory books. The theory book for car by TRAFFICBOOK.NL is a 300 page book divided over the CBR categories. In each chapter, the TRAFFICBOOK.NL BV car theory book teaches you the current study materials of the CBR in a logical manner. Through the special set-up and structure of the book, you will navigate through the car theory with ease and learn in a clever manner. The car theory book also offers tips and tricks to easily remember the material. The TRAFFICBOOK.NL BV car theory book consists of 25 chapters and treats all subjects like traffic legislation, hazard recognition, priority, traffic signs and more. Our traffic teachers, who also offer classroom theory classes, continually keep the study material in the book up to date. The book includes:- Studying Car Theory car theory book driving licence B- More than 110 questions- Excerpts- Answers to the 110 questions- Theory material that perfectly connects to the CBR theoretical exam for the car- Free and quick delivery 25 chapters The car theory book is divided over 25 chapters. The chapters are presented to you clearly and briefly. This way, you do not have to learn long chapters, but instead you could choose to read 1 or 2 chapters at a time. An ideal way to prepare yourself for the theoretical exam for the car driving licence. The book contains 300 pages including theory questions & answers, excerpts, traffic signs and definitions. An ideal book to study the theory of the CBR car theory exam, for young and old!
